- Carrying out distribution activities for the relevant insurance products in accordance with the best interests of your customers; and
- Distributing the product(s) appropriately to the identified intended target market

SECTION ONE - PRODUCT FEATURES AND CHARACTERISTICS

In this section we set out the main product features and benefits. Please refer to the Policy wording for the full terms and conditions.

Cover

This is a short-term Private Car product aimed at non-standard segments of the insurance market including customers with prior claims and convictions. This product allows the release of an impounded vehicle and the taxing of a vehicle being imported into the UK and being insured with the Chassis number.

Legal liability to third party vehicles or property arising from the use of the insured vehicle is covered up to a maximum of £20 million and compensation for death or injury is unlimited.

Cover is explicit in the policy documentation and transparent to the customer.

Excesses

Compulsory excesses are set according to the policy cover level, drivers age and vehicle type and value. Compulsory excesses represent an appropriate compromise between cost and value and are not out of step with similar products. Excesses are clearly set out in the policy documentation.

SECTION TWO – TARGET MARKET

In this section we set out information on the target market.

This is a Personal Lines General Insurance product suitable for individual customers looking to purchase a short-term, 30-day car insurance, with the ability to release an impounded vehicle.

The product is available on Third Party Only basis and covers the Insured Only, no named drivers. The product has wide acceptance across the Motor Insurance market, in particular for customers with prior claims or convictions.

This product accepts drivers who hold a UK/EU/EAA driving licence and have been a UK resident for at least one year.

The product is not suitable for:

- Customers looking for insurance for over 30 days

SECTION FOUR – REMUNERATION

Haven Insurance is the manufacturer of this product.

Prices are set by Haven Insurance on a gross premium basis. The premium and IPT only are charged by Haven. Remuneration taken by Acorn Insurance is through commission and fees to cover operational and distribution costs. All fees must be clear to the customer prior to purchasing the policy.

Acorn distributes this product through circa 200 sub-brokers. The sub-brokers may provide both advised and non-advised sales of general insurance products.

SECTION FIVE - PRODUCT APPROVAL AND REVIEW PROCESS

Haven is a manufacturer of General Insurance products which are distributed by Acorn Insurance and Financial Services Limited ("Acorn") on a Gross Premium basis. Haven is the sole price setter on all products.

The Governance and controls arrangements are designed to enable us to measure our performance in respect of pricing outcomes and understand emerging risk whilst informing our programme of continuous improvement. The aim is to:

- Meet the needs of our defined target markets
- Ensure clarity of communication so customers are appropriately informed, and
- Ensure customers receive outcomes they expect from Haven products and services, both from Haven and the distributor.

The product approval and review processes are designed to identify whether the product provides fair value to customers. We monitor products across the product lifecycle in order to assess whether they continue to meet our customers' needs and are delivering fair outcomes and value. We have established governance procedures to maintain and operate a product review process on an annual basis and earlier for any significant adaptations. Our governance process includes regular monitoring and review including taking any remedial action if appropriate. We will test each product including performing scenario analysis when needed.

Before launch all new products are approved by the Head of Underwriting, the Managing Director and Head of Compliance at Haven.

This product goes through an annual Fair Value Assessment.
