This document sets out appropriate information in respect of:

- The insurance product(s)
- The identified target market for the insurance product(s), and
- The product approval and review process

This document is intended to provide you with appropriate information to support you in:

- Understanding the insurance product(s) and their intended value
- Understanding the identified target market for the insurance product(s)
- Understanding who the insurance product(s) is not compatible for
- Carrying out distribution activities for the relevant insurance products in accordance with the best interests of your customers; and
- Distributing the product(s) appropriately to the identified intended target market

### SECTION ONE - PRODUCT FEATURES AND CHARACTERISTICS

In this section we set out the main product features and benefits. Please refer to the Policy wording for the full terms and conditions.

#### Cover

This is a Taxi Insurance product aimed at non-standard segments of the insurance market including customers with prior claims and convictions.

Cover is available on 7 days, 30 days, 90 days and 6 months basis. Breakdown cover is available as optional add-on if the cover duration selected is 90 days.

Legal liability to third party vehicles or property arising from the use of the insured vehicle is covered up to a maximum of £2 million and compensation for death or injury is unlimited.

Cover is explicit in the policy documentation and transparent to the customer.

#### Excesses

Compulsory excesses are set according to the policy cover level, and vehicle value. Compulsory excesses represent an appropriate compromise between cost and value and are not out of step with similar products. Excesses are clearly set out in the policy documentation.

### SECTION TWO – TARGET MARKET

In this section we set out information on the target market.

This is a Commercial Lines General Insurance product suitable for individual customers. It is aimed at Individual Customers looking to purchase short term UK motor insurance for a Taxi.

The product is suitable for Private Hire use and offers cover for both electric and non-electric vehicles.

Within this product we offer different schemes, each of which has a slightly different target customer profile. These are offered to a customer on a panel basis so the price presented to any customer will always be the cheapest scheme for which they are eligible.

This product offers Comprehensive, Third Party, Fire and Theft or Third Party only cover.

This product is suitable for customers aged 17 to 71.

All schemes are sold on a non-advised basis.

The product is not suitable for:

- Customers who are not based in the United Kingdom
- Customers who have similar cover elsewhere
- Customers who do not require private hire cover
- Customers who require annual cover

### SECTION THREE – DISTRIBUTION STRATEGY

The following methods of distribution are appropriate for this product

- Online
- Face to face
- Telephone

The following types of sales are appropriate for this product

- Non-advised

### SECTION FOUR – REMUNERATION

Haven Insurance is the manufacturer of this product.

Prices are set by Haven Insurance on a gross premium basis. The premium and IPT only are charged by Haven. Remuneration taken by Acorn Insurance is through commission and fees to cover operational and distribution costs. All fees must be brought to the customers attention prior to purchasing the policy.

Acorn distributes this product through sub-brokers. The sub-brokers may provide both advised and non-advised sales of general insurance products.

### SECTION FIVE - PRODUCT APPROVAL AND REVIEW PROCESS

Haven is a manufacturer of General Insurance products which are distributed by Acorn Insurance and Financial Services Limited ("Acorn") on a Gross Premium basis. Haven is the sole price setter on all products.

The Governance and controls arrangements are designed to enable us to measure our performance in respect of pricing outcomes and understand emerging risk whilst informing our programme of continuous improvement. The aim is to:

- Meet the needs, characteristics, and objectives of our defined target markets
- Ensure clarity of communication so customers are appropriately informed, and
- Ensure customers receive outcomes they expect from Haven products and services, both from Haven and the distributor.

The product approval and review processes are designed to identify whether the product provides fair value to customers and will do so for the foreseeable future. We monitor products across the product lifecycle in order to assess whether they continue to meet our customers' needs and are delivering good outcomes and value. We have established governance procedures to maintain and operate a product review process on an annual basis and earlier for any significant adaptations. Our governance process includes regular monitoring and review including taking any remedial action if appropriate. We will test each product including performing scenario analysis when needed.

Before launch all new products go through fair value assessments and are approved by the Head of Underwriting, the Managing Director and Head of Compliance at Haven.
